Pre-Conference Workshop

Registration at Symposium also includes the possibility to participate in the Pre-conference Workshop on "Polymer Characterization", that will be held on October 20th. The Workshop will consist of four modules:

"Rheometric-Rheological Fundamentals of Polymer Characterization". *Dr. Julio Deiber, INTEC (UNL - CONICET).*

"Polymer Structural Characterization and Polymer Structures by Low Angle Scattering Radiation". *Dr. Marcelo Ceolin, INIFTA (UNLP - CONICET).*

"Application of NMR in Polymers". *Dra. Griselda Barrera Galland - Instituto de Química (Universidade Federal do Rio Grande do Sul).*

"Polymer Characterization by Size Exclusion Liquid Chromatography with Multiple Detection". *Dr. Gregorio Meira, INTEC (UNL - CONICET).*

Best Doctoral Thesis Award

During the SAP2015 the "Best Doctoral Thesis in Polymers" will be awarded for the first time. For this purpose, all theses defended at Argentine Universities between April 1st, 2013 and March 31th, 2015 may be submitted. More information is available on: www.unl.edu.ar/sap2015.

Institutions and Companies

The Organizing Committee of SAP2015 invites institutions and companies to participate of this forum to disseminate their products, activities, technologies and / or services. For inquiries, please contact: sap2015@santafe-conicet.gov.ar.
